God's Word says, "Praise ye the LORD . . ."

Pastor Saidi from the Congo is distributing hundreds of water-treatment systems to villages. Here is a word of thanks from him:

Pastor Saidi is distributing a water-treatment system.

*Twenty-two people accepted Jesus Christ as Lord and Saviour tonight for the first time in their lives. Praise God. I have been listening to testimonies from hundreds of families about the chlorine systems for pure water, and words of THANKS are songs from many hearts. Testimonies are so great. These chlorine systems are so helpful, and WE ALL THANK GOD FOR YOU DEARS.*

*Praise the Lord, systems for pure water have been a great tool to bring souls to Christ for salvation. Some of these beautiful souls, after meeting them on the streets when we were doing soul winning and evangelism, accepted Jesus Christ as their personal Lord and Saviour. Today they showed their commitment to Christ and church services. We gave them chlorine systems for pure water. You can see the joy shining on their faces from the bottom of their hearts. THANK YOU, BROTHER JOHN HAYS AND THE ENTIRE TEAM THAT WORKS TOGETHER TO MAKE THIS HAPPEN. CHRIST'S KINGDOM IS BEING BUILT THROUGH THIS SPECIAL SERVICES / PURE WATER CHLORINE SYSTEMS.*

*God bless you all richly. We will update you on more soon. Once again, God bless. Thank you, Sir, for your sacrificial services to God in loving Him and obeying His calling upon you to serve Him and save millions of souls. To Him Who called you and gives you the ability to do it, May He keep strengthening you and opening more doors before you for the fulfillment of His purposes upon you. More blessings upon all team. YOUR LOVE SAVES MILLIONS OF MY PEOPLE. We love you, too, and pray for you, dears.*

Christ is the head of His church. *Pure Water for All* is actively working in churches in Brazil, Peru, Sierra Leone, the Ivory Coast, and Liberia. Prayers are needed for these outreaches. Pray for more open doors to give the Gospel and drinking water. Pray that Christ would raise up a man to labor beside me.

His water boy,

John Hays
